<i>Log In with Microsoft 365 Email.....</i>	<i>5</i>
<i>After Logging In.....</i>	<i>6</i>

Log In

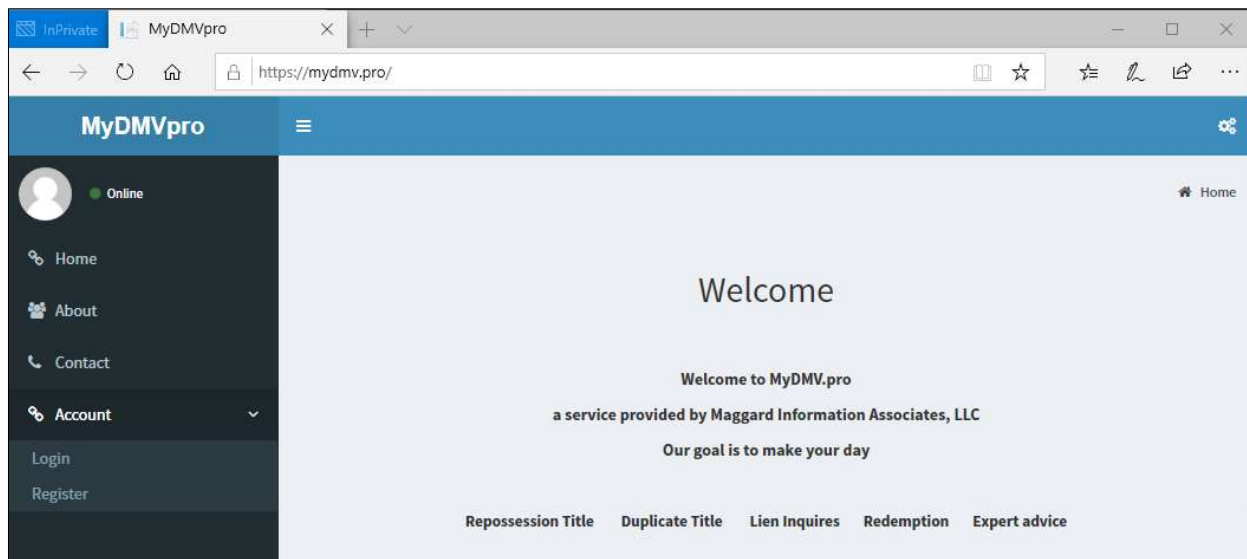

2

Step 1:

Click the link from your invite email

Step 2:

Click on the Account dropdown on the left-hand side and then click Login

Step 3:

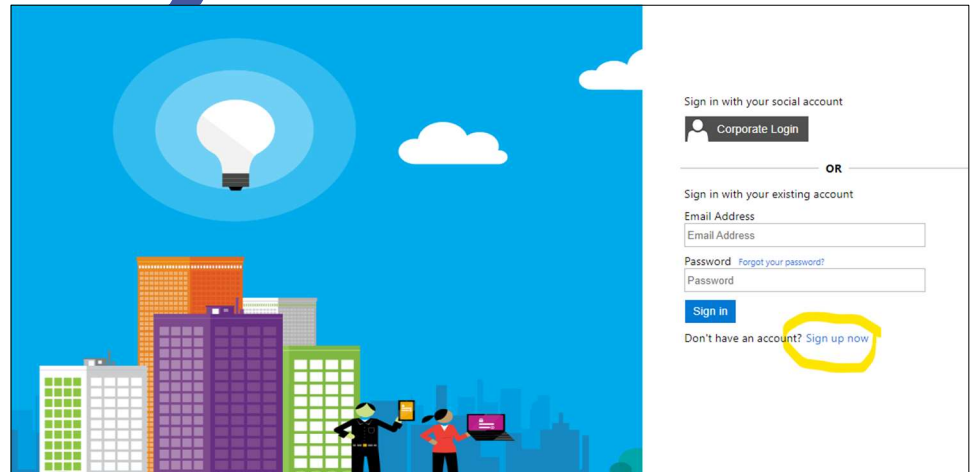

This next step depends on what type of email system your company uses.

- If your use a company email, see page 3.
- If your company uses a Microsoft 365 email for single sign on, see page 5.

Log In with Company Email

3

Step 3 – Company Email:
To login with your company email, click the Sign up now prompt.

Smith

Create Cancel

Enter the below information:

- Display Name (Please use FIRST AND LAST name, ex. John Smith. This is the name everyone will see on your MyDMV.pro profile and it helps to identify what records belong to whom!)
- Your Given Name (your first name)
- Your Surname (your last name)

Click Create after all required fields have been entered.

This will bring you back to the login page where you will log in with your new credentials:

The login form features a blue background with a cityscape and a lightbulb icon. It offers options for social login, existing account login, and a link to sign up.

Log In with Microsoft 365 Email

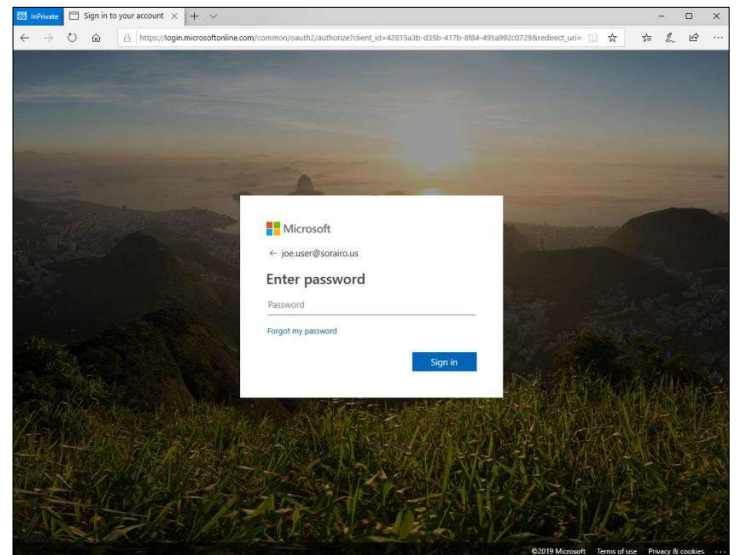

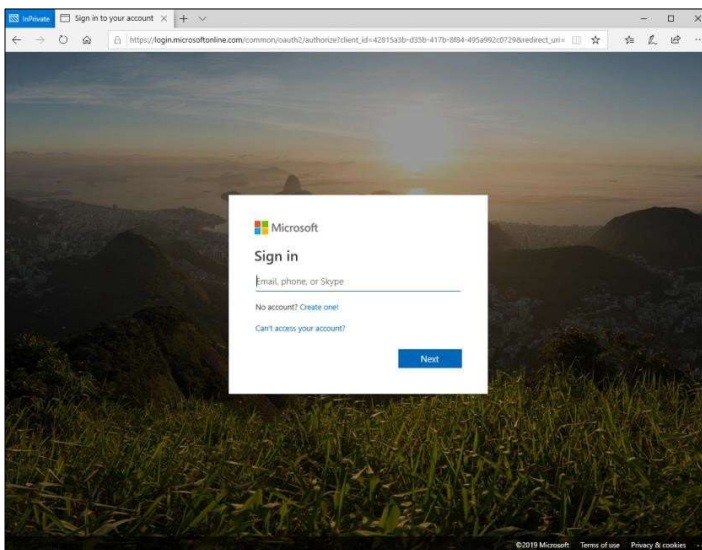

Step 3 – Microsoft 365 Email:

If your company uses MS 365 for your single sign in option, you can use your MS login for MyDMV.pro.

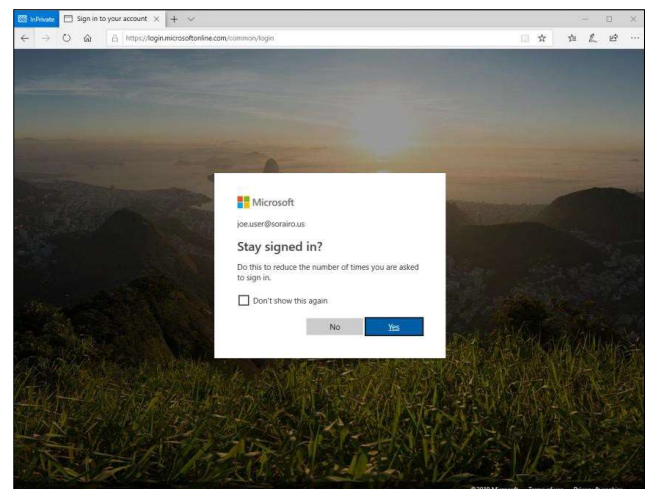

To login with your 365 email, click the Corporate Login button at the top of the sign in page.

Enter your email address & password for your Microsoft 365 account.

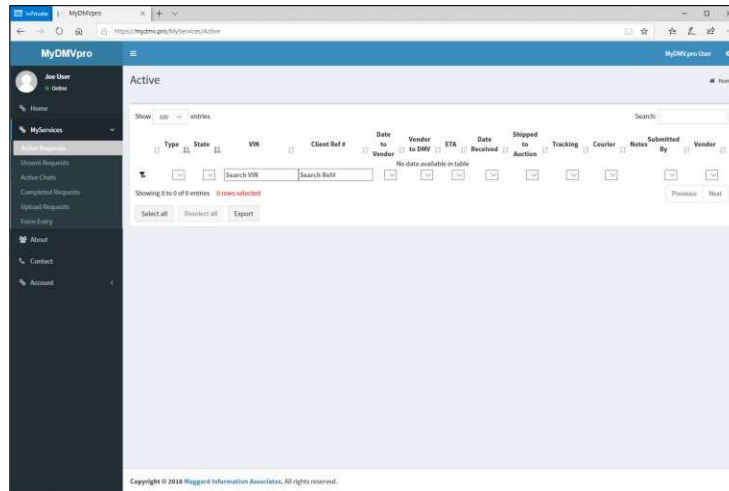

You may be prompted to stay signed in.
Select Yes or No.

After Logging In

6

After logging in successfully, you will see the “My Services” menu on the left-hand side.

If you see anything other than “My Services” on the left-hand side, close your browser window and try logging in again. If you have any issues after that, please send an email to info@maggard.net

Thank you and we look forward to working with you soon!
